

# **Sample Womb Whispers Oracle Reading**

*Begin with a whisper.*

This free offering invites you to experience the magic of the **Womb Whispers Oracle** through a gentle, reflective spread designed to connect you with the voice of your womb.

## **How to Use This Spread**

1. Find a quiet, sacred space where you can sit comfortably and won't be disturbed.
2. Place your hands over your womb, close your eyes, and take a few slow breaths.
3. Ask your womb: *"What do you want me to know right now?"*
4. Shuffle your oracle deck and draw either one or three cards.
5. Use the spreads and prompts below to guide your reflection and journaling.

## **One-Card Spread: "The Whisper"**

This single card offers a present message from your womb, guiding you to what is most alive within you right now.

### **Reflective Prompts:**

- What emotion or energy does this card awaken in me?
- How can I honour this message in my day-to-day life?
- What does my womb need from me right now?

You can write freely, draw, or sit in stillness to receive more insight.

## Three-Card Spread: “The Womb Path”

A deeper exploration of your inner landscape through three sacred aspects:

1. **Root** – What is ready to be released from my womb?
2. **Voice** – What truth wants to be expressed through me?
3. **Bloom** – What energy is emerging and ready to grow?

### Reflect on each card:

- Where do I feel this in my body?
- How can I lovingly support this part of me?
- Is action or stillness being called for?

You may wish to journal, sketch, or simply rest in the energy of what’s been revealed.

## Gentle Reminder

There is no wrong way to connect. If something stirs, softens, or opens—you are already listening.

**Let the whispers of your womb guide you home.**
